Casa para alquilar = 50 Puntos * Formal

You are looking on-line for a house to rent with your mother in a Hispanic Country. Before starting the project you need to-

SEARCH FOR A HOUSE IN A SPANISH SPEAKING COUNTRY ON LINE & BRING IT TO CLASS

- Save it and print it out to bring to class.
 - The house listing should have a photo and a good amount of information and description.
1. She asks you to **email** the leasing agent in the Hispanic country to tell the agent which house you like with lots of description. **Write this email in Spanish.**
 2. The agent from the Hispanic country emails you a rental house photo and information.
 3. You have to **write a second email** to the Spanish agent telling him what you like and what you don't like about the house, and what you need in the house.
 4. You then **create a drawing or an image of your ideal rental house with labels and descriptions** so that he understands exactly what you want.
