

## **¡EMERGENCIA! ¡EMERGENCIA!**

**Prompt 1/Tema 1: Paciente y Médico.** *Partner A has been in an accident at a sports practice, a work out, dance class, or any physical experience, practice or training session. Your injuries are grave enough to take you to an Emergency Room at a hospital.*

**Partner B** is the ER doctor. Include the following information & Check it off as it is completed.

\_\_\_\_\_ **Doctor:** Ask what happened.

\_\_\_\_\_ **Patient:** Tell the doctor what happened to you (past tense) for you to end up in the E.R. (Elaborate and be creative). Tell what body part you think is hurt or injured.

\_\_\_\_\_ **Doctor:** Make a comment about their story and tell what you think is wrong. Tell him/her that they will need an X-Ray. (Use a past participle)

\_\_\_\_\_ **Patient:** Tell the doctor what exactly it is hurting you. Request something that you need.

\_\_\_\_\_ **Doctor:** Tell the patient what the X-Ray reading says and what the solution will be. (Use a past participle)

\_\_\_\_\_ **Patient:** Ask the doctor what you should do at home in order to feel better.

\_\_\_\_\_ **Doctor:** Answer this question and give advice on how to alleviate the pain.

\_\_\_\_\_ **Patient:** Thank the doctor for helping you today and tell him or her what you will do at home after you leave.

## **¡EMERGENCIA! ¡EMERGENCIA!**

**Prompt 2/Tema 2 Partner A has the flu! Partner B is the nurse practicioner.** *Include the follow information and check it off as it is completed.*

\_\_\_\_\_ **Nurse:** Ask what is wrong today.

\_\_\_\_\_ **Patient:** Tell the doctor how you are feeling.

\_\_\_\_\_ **Nurse:** Ask the patient what is wrong/what is hurting, etc.

\_\_\_\_\_ **Patient:** Tell the doctor 4 symptoms that you have.

\_\_\_\_\_ **Nurse:** Tell the patient that he/she has the flu. Give them 3 pieces of advice on what they should do.

\_\_\_\_\_ **Patient:** Ask the doctor if you can go to school and play sports.

\_\_\_\_\_ **Nurse:** Answer the patient's questions.

\_\_\_\_\_ **Patient:** Ask the doctor when you can go to school and thank him for his help today.
