Now choose _____ people, and write descriptive sentences about the information in the chart. Each paragraph should have five sentences showing the 5 questions and answers above.

Speaking & Writing Prompts

1. You are planning a trip to the beach with friends this summer. Let your friends know what you are going to do. Then, ask each one if he or she will do a specific task using the future tense. Include-
 - A minimum of 4 tasks that you will do
 - A minimum of 3 different questions for 3 different friends.

2. You are about to begin a trip to an international destination. Describe the steps you will take to enter the airport and board the airplane.

3. You are going on a beach vacation in the Carribeann. State what you will do there, and then state what you will not do.
